

INCOME TAX

DEPENDENTS

living in Japan

Who do you want to declare as a dependent?

01 Spouse

02 Family members

03 Children

To do so, check the following rules and conditions

SPOUSE

Year income
¥1,500,000
or less

.....

¥1,630,000
or less

Younger than
65 years old
Older than

¥2,050,000
or less

*Pension income only

FAMILY

Year income
¥1,030,000
or less

.....

Income

Income
¥1,080,000
or less

Younger than

65 years old

Older than

¥1,580,000
or less

*Pension income only

CHILDREN

You can declare
children under

16 years old

but there is
no tax exemption

The tax amount won't change.

The exemption was canceled
by the government in 2011

.....

Still, one of the parents must
declare the children as
dependent

.....

Children over

16 years old

Same rules as
family member

We know the hardest part is taking the time to fill it.

**Don't stop here
Start now**

**If you fail to send it,
before the end of the month,
your taxes will be expensive.**
