

## 2024 Tax Cuts

This is a tax cut from the government to reduce impact of inflation

[See more ↓](#)

You get a  
**¥ 30,000 credit**  
to pay your  
**Income tax**  
from June to  
December 2024

**Basically, you won't have  
to pay income taxes  
until your credit ends**

# Credit Left

If by December you still have credit left,  
It still yet to be decided by the government  
how they will handle credit leftovers

# Family Credit

The same credit is applied to family members  
declared as beneficiary dependents,

E.g.

You have 1 child declared as dependent you get extra  
¥30,000 credit, on top of your ¥30,000

You ¥30,000 + Dependent ¥30,000 = ¥60,000 credit  
to be used to pay your income taxes

\*conditions apply

# Who gets it?

You must have a work contract with Techno Service on **EXACTLY** June 1st

**Have a work contract on June 1st**

---

People with contracts ended before or after that date are not applicable

You are on maternal leave on June 1st

**OK**

Your contract started after June 2nd

**NO**

Your contract ended on May 31

**NO**

# Techno Service will handle the **Income tax** credit procedures and payments

You don't need to do anything

---

However ↓

# **The government is providing another extra ¥10,000 for city taxes**

This tax credit will be handled by your city hall not Techno Service,  
For more information talk to your city hall

# FAQ

Can I get my credit on cash? **No**

Can I decide how much to use every month? **No**

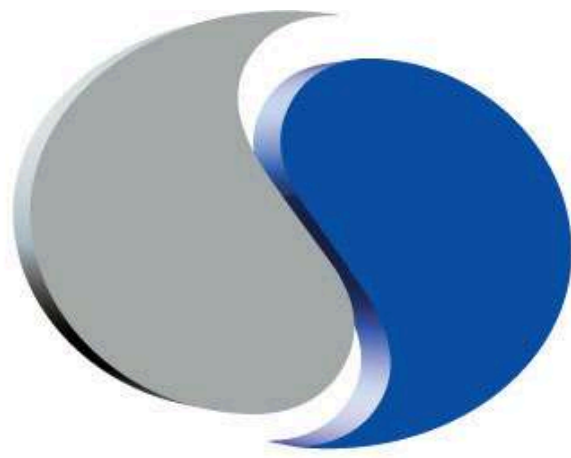

**Where can I see how much credit I have left?**

This government tax cut came on a short notice, we apologize but we will not be able to change our system on time to state your credit fund on your payslips.

**If I leave Techno Service will I lose my credit?**

Your new company will not be able to apply for credit for you, however if you do the year-end tax adjustment (nenmatsu chosei) your credit leftovers will be applied and used for your taxes on the year end.
